

How to fit a surgical mask (ear loop style)

Fitting a surgical mask with ear loops:

- Open the packaging pouch and take out the mask.
- Place the side with nose piece upward. Hang the ear loops on the ears.
- Press the nose piece to fit the bridge of the nose, then press the nose piece and pull the lower end of the mask to the lower jaw.
- Adjust the mask so that it covers the bridge of the nose to the lower jaw in order to get the best protection effect.
